**REQUEST FOR SUSPENSION OF
TIME FOR APPEAL TO THE CAFC**

Commissioner for Patents
P.O. Box 1450
Arlington, VA 22313-1450

Appellant has requested either a rehearing in this appeal, or preferably a reconsideration of the Board's Decision dated July 28, 2006, to present certain evidence, on August 9, 2006, but no action has yet been taken on that request and technically the time for appeal to the CAFC would expire today. Appellant intends to file such an appeal, but it is believed that the Board should have time to respond to the request filed about one and one half months ago. Therefore the Board is most respectfully requested to reopen prosecution as of this date to permit it time to respond to the timely filed request as there is no intention to abandon this case or to forego an appeal to the CAFC if the Board refuses reconsideration.

If this will not be granted, a call to the undersigned today would be appreciated to prevent abandonment.

Respectfully submitted:
